

Cole Engineering Named in Top 50 Best Employer's List

BEST SMALL & MEDIUM EMPLOYERS IN CANADA

Media Release
01.14.09

On behalf of the Principals and Associates, CEG is delighted to announce that on Wednesday January 14, 2009 Cole Engineering was named 34th in the Globe and Mail's release of the Fifth Annual Ranking of the 50 Best Employers in Canada.

"This is an amazing achievement and we would like to recognize all staff for their continued dedication and commitment to the success of our Company. It is because of their commitment to our collective Mission, Vision and Values that we have placed 34th within Canada.

It is extremely rewarding to be publically recognized and acknowledged. The leadership team will continue to respect, support and recognize the value of CEG employees by always remaining open to new ideas and continuous improvement in our collective quest for "excellence". Scott R. Cole, P.Eng., President and CEO.

The Best Small and Medium Employer is a national awards program that recognizes top employers with between 50 and 399 employees. Rankings are determined using results from the Best Small and Medium Employer Survey completed by employees and contributions made by the leadership team regarding the assessment of organization practices and perspectives.
