

Media Release  
For Immediate Release  
February 3, 2009

The Fluent Flyers Toastmasters club graduated 10 members from its six week Speechcraft program on Tuesday February 2, 2009. The Speechcraft program allows experienced Toastmasters to guide participants through the fundamentals of public speaking. Over the duration of this program our members had the opportunity to present speeches, introduce other speakers, serve as evaluators and participate in Table Topics.

The graduation certificates were presented by Fluent Flyers Sponsor, Shishir Lakhani and Club President, Janet Johnson. Along with the graduation and presentation of Speechcraft certificates, Fluent Flyers Toastmasters signed their Charter Application for Toastmasters International.

From its initial kick off meeting in September 2008, Fluent Flyers Toastmasters has grown to 21 charter members; and has become an official club of Toastmasters International. Membership in Fluent Flyers Toastmasters is open to the public. For more information about our club please contact Janet Johnson at (905) 940-6161.
